## CONFERENCES AND EVENTS

### hospitalitydesign summit

**MARCH 8-10, 2023 | JW MARRIOTT DESERT SPRINGS RESORT & SPA**

HD Summit is the industry's only conference focused on ideas outside hospitality. Because everyone needs fresh thinking and new sources of inspiration, the invitation-only event, held in a "thought camp" environment, is designed to sharpen the leadership skills executives need daily—and to provide the big ideas they need to stay ahead of the competition. HD Summit caters to top-level executives within the hospitality design sector and provides sponsors with a unique opportunity to connect with their A-list customers. A sponsorship is an investment in relationship building at the highest levels of the industry. Full-frequency advertisers earn a complimentary sponsorship.

**OCTOBER 26-27 | VIRGIN HOTELS NASHVILLE**

HD NextGen Forum launched in 2013 as a hybrid event that combines regular conference programming and TED-like speakers for the industry's rising stars and emerging firms who are already making their mark in hospitality. This invitation-only conference blends education, inspiration, business, and socializing for the next generation of hospitality design leaders.
