HD Summit is the industry’s only conference focused on ideas outside hospitality. Because everyone needs fresh thinking and new sources of inspiration, the invitation-only event, held in a “thought camp” environment, is designed to sharpen the leadership skills executives need daily—and to provide the big ideas they need to stay ahead of the competition. HD Summit caters to top-level executives within the hospitality design sector and provides sponsors with a unique opportunity to connect with their A-list customers. A sponsorship is an investment in relationship building at the highest levels of the industry. Full-frequency advertisers earn a complimentary sponsorship.

HD NextGen Forum launched in 2013 as a hybrid event that combines regular conference programming and TED-like speakers for the industry’s rising stars and emerging firms who are already making their mark in hospitality. This invitation-only conference blends education, inspiration, business, and socializing for the next generation of hospitality design leaders.

CitySCENE events are regional gatherings that bring together up-and-coming and veteran industry professionals in different cities throughout the U.S. (Toronto, Miami, LA, Washington, DC, Chicago, New York, and Dallas). Sponsors cohost these hip, fun events in each city’s newest hotspots while making meaningful connections with current and next generation hospitality leaders.

Attracting more than 1,000 entries across nearly 40 categories, the HD Awards showcase the industry’s best projects—from luxury hotels to restaurants and spas—and products, and honor the creative teams behind them. For the event’s 20th anniversary, the jury-selected winners will be revealed in Las Vegas during HD Expo + Conference—representing a stunning array of industry talent. Align your brand in sponsorship with HD as we applaud the year’s most incredible people, products, and projects.

Join HD as we take designers, architects, purchasers, and hotel executives on a fun bus tour of a few of New York’s latest and greatest hotels. Network in an intimate setting while getting a behind the scenes look at some cool design.

It’s been called the party of the year and we don’t disagree. Join HD as we honor those who have made a significant contribution to the field of hospitality design at the 32nd annual Platinum Circle Awards gala, a special evening of cocktails, dinner, and an awards ceremony. Connect with a who’s who of the industry at the year’s much-anticipated black-tie festive event.
