2024 CONFERENCES AND EVENTS

MARCH 11-13 | LOEWS VENTANA CANYON RESORT | TUSCON, ARIZONA

HD Summit is the industry's only conference focused on ideas outside hospitality. Because everyone needs fresh thinking and new sources of inspiration, the invitation-only event, held in a "thought camp" environment, is designed to sharpen the leadership skills executives need daily—and to provide the big ideas they need to stay ahead of the competition. HD Summit caters to top-level executives within the hospitality design sector and provides sponsors with a unique opportunity to connect with their A-list customers. A sponsorship is an investment in relationship building at the highest levels of the industry. Full-frequency advertisers earn a complimentary sponsorship.
